10 ~~8~~ October 1966

MEMORANDUM FOR: Chief, Support Staff, NPIC

**Declass Review by
NGA.**

ATTENTION: [REDACTED]

THROUGH: Chief, Logistics Branch, SS

SUBJECT: [REDACTED] Proposal No. 164-40-21, dated
10 June 1966, Photobleach Photography, Phase III

1. Past efforts in the field of photobleach photography and progress to date under Contract [REDACTED] Task Order 02, *here* has not been as successful as anticipated. The proposal submitted [REDACTED] for the FY-1967 follow-on effort does not appear to guarantee sufficient advancement to warrant pursuing the investigation past the current contract period of November 1966.

2. It is therefore requested that a letter be sent to GE rejecting their proposal. Appreciation should be expressed for their efforts to date and that we would welcome information on further results, should the work be continued under company sponsorship.

[REDACTED]
Colonel, USAF

Assistant for Plans and Development, NPIC

Attachment: Technical Proposal - Photobleach Photography Phase III
